Pachyderm Press

Welcome to JCRW:

JCRW is super excited to have Mrs. Patty Jung Williams as our guest speaker for our **Poise Under Pressure** series. Mrs. Williams is married to the Honorable Roger Williams, U.S. Congressman and has two very beautiful daughters and is a grandmother. Mrs. Williams is a what we think of as a Native Texan, by attending Arlington Heights in Fort Worth and later receiving her Bachelors in Arts in Business with a minor in Marketing from Austin College in Sherman, Texas. Her career led her to becoming General Manager of Jack Williams Chevrolet Chrysler Jeep in Fort Worth and then landing with her Presidency at the Roger Williams Automall in Weatherford. However it is interesting to note that she actually came to Texas from Ontario, Canada!

Mrs. Williams currently sits on the boards of numerous organizations such as the Jewel Charity benefiting Cook Children's Hospital in Fort Worth; Texas Women for the Arts benefitting the arts for the children; Fort Worth Council for Life, and Steering Women for Business which is an Affiliate of the Fort Worth Stock Show and Rodeo which hands out scholarships.

Her awards for recognition are many. They include the Paul Harris Award for Westside Rotary in 2001; Mother of the Year for Tarrant County March of Dimes in 2012 and the Most Influential Businesswoman of the Year by the Fort Worth Press in 1997.

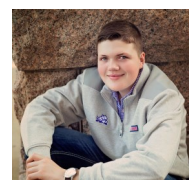

As you can see, Mrs. Williams is a very accomplished woman. With her consistent work for children and women, it's easy to see how she has become influential in her husband's career and her daughter's lives.

2019 JCRW Polly Guthrie Scholarship

The Johnson County Republican Women (JCRW) is proud and honored to have been able to award scholarships totaling over \$15,000 to Johnson County seniors. Previous applicants have come from public, private and home school programs.

The scholarship process is a great opportunity to accomplish the club's objective to promote an informed electorate through political education. Our scholarships allow us to educate, activate and participate. First, we encourage high school seniors to consider what being conservative means today by requiring them to write an essay about conservative values and then explain that essay in a personal interview. Equally important, we are able to participate by helping conservative youth pursue their education goals with scholarship funds. JCRW will be awarding the scholarships at our April meeting. See you there! (And, consider giving!)

Some of our past recipients from 2017 and 2018 have been:

Happy Spring Everyone!

It is my favorite time of the year to take a road trip and see all those amazing bluebonnets out and about on our roadways. We are gearing up for our trip to Austin next month to visit our capital and view the 86th legislative session in action. I am looking forward to making memories with our group of amazing ladies. I want to take a minute and recognize our very own Sydney Hewlett, who as many of you may know, was appointed by Governor Abbott to serve as our 18th Judicial District Court Judge. Congratulations Judge Hewlett on your new venture and we know you are going to make JCRW and our county proud.

Today's News

TRUMP 2020

Donald Trump's 2020 campaign continues to send out fundraising emails on the back of the Mueller report, whose key findings have so far been summarized by the attorney general, William Barr, in a four page report.

In the fundraising email, Trump says this was "the biggest Witch Hunt in the history of politics." More from the email:

"Democrats worked with the Fake News Media for 2 years orchestrating this Nasty Witch Hunt to use our government as a weapon to take away the votes of 63 MILLION Americans.

After they lied to the American people, Nancy Pelosi, Democratic leadership, and all of the 2020 Democratic candidates raised MILLIONS of dollars off of their phony Witch Hunt!

Democrats and the Fake News media have proven that there is no line they won't cross, so we need to fight back BIGGER AND BETTER THAN EVER BEFORE."

JCRW's Very Own.....

JCRW is proud to congratulate our very own past-president, Mrs. Sydney Hewlett as being appointed to the 18th District Court of Johnson County. She was personally called up by Governor Abbott and when asked, Sydney obliged. The Honorable Sydney Hewlett will be the very first woman district judge in Johnson County, wow!

It is an honor to have such a distinguished leader and representative of JCRW take this role. JCRW believes in the advancement of women in the political arena and this is no doubt exactly what we encourage women in Johnson County to do.

Thank you, Sydney. We look forward to a successful tenure!
